

ANGORIS
1648

Spìule Chardonnay

DOC FRIULI COLLI ORIENTALI
RISERVA GIULIO LOCATELLI

Chardonnay 100%

Stabili della Rocca ~ Training method Guyot ~ Harvest time mid-September

14,0% Vol.

Ponca (eocene marl) ~ Exposure East-West ~ 90 sea/level ~ Production area 1 ha

Planted in 2001 ~ Vine density 4.000 vines/ha ~ Yeld per hectare 60 quintals/ha ~ Production 5.500 bottles

A portion of the must (80%) is fermented at a temperature controlled in steel, while the remainder part (wich ferments in tonneaux) runs also the malolactic fermentation, at the end of the alcoholic one. After 12 months aging in their respective receptacles, they are blended and bottled. Subsequently, the bottles rest for another 14 months.

Gold.

Intense, yogurt, custard, peach quince; mineral notes. Dry, fruity, round. Elegant, soft. High acidity and minerality.

Strong fish dishes like sardines, white meats with cream sauces.

Serving temperature 10 - 12 °C
